

# **BCI PARENT SUPPORT GROUP**

*Are you seeking answers to your child's challenging behavior?.....and are you looking for empowerment as a child's care giver?.....and are you hoping for tranquility, peace and unity as a family?*

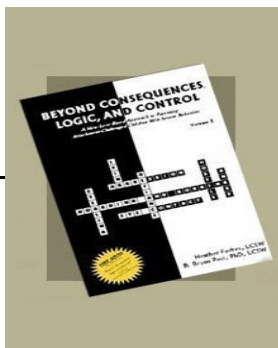

*Then please join us, as we introduce and support you in the Beyond Consequences Model, developed by Heather Forbes, LCSW and Dr. Bryan Post, PhD LCSW. and find what you've been looking for!*

*Your support and resource as a child's care giver, will be based on the book, Beyond Consequences, Logic and Control - co-authored by Heather Forbes and Dr. Post. The only cost to you when joining the group will be the purchase of this book.*

*Available at*
